Client Feedback Form

Dear Sir/Madam,

It is our constant endeavour to offer you our best services. To help us further improve, you are requested to rate the performance of our Project Management Team on the scale of 1 to 4 on the following parameters.

Services Utilized:

- ☒ Project Management
- ☐ Construction Management
- ☐ Audit Services
- ☐ Any Other Consultancy (Please Specify)

Sr. No	Parameters	Score			
		1	2	3	4
1	Management Approach	x			
2	Commitment Towards Delivery	x			
3	Approach Towards Cost Control	x			
4	Approach Towards Quality Control	x			
5	Approach Towards Environment, Health and Safety		x		
6	Transparency	x			
7	Coordination/ Interaction with Other Agencies		x		
8	Communication & Information Control		x		
9	Documentation		x		
10	MIS - Reporting of Major Issues		x		
11	Overall, Team Performance		x		

1: Excellent 2: Very Good 3: Good 4: Satisfactory

Are there any areas of our services that need improvement or were not up to the level of satisfaction?
All services provided, were excellent - above and beyond.

Any additional suggestions for improvement:
Need to enforce stricter norms for safety on third party agency; other than that - it was great!

We thank you for providing your valuable opinion. This will help us in serving you better.

Sharnam Civil Consultancy's team, led by very capable Ms. Shruti, delivered outstanding project management services for our new house interior. They have demonstrated exceptional skills and commitment. Their coordination, expertise, and attention to detail ensured a smooth and successful project. We're grateful for their professionalism and dedication. Special mention to Mukesh for his meticulous site supervision and Dharmendra for ensuring a secure work environment. Also special thanks to the Mentors Mr. Pramesh Shah & Mr. Rakesh Jain for their continuous suggestions and support. We highly recommend their services.

WHY US

1. Rapid Response

We prioritize timely communication and issue resolution based on impact to project timelines, budgets, quality standards, and safety protocols. Our proactive approach safeguards client interests and drives project success.

2. Experienced Team

Our leadership and core team bring a combined experience of over 100,000 sq. ft. across residential, commercial, and mixed-use developments. With individual expertise ranging from 12 to 30+ years, we offer deep industry insight and proven execution capabilities.

3. On-Time Execution

We continuously assess project conditions and provide techno-commercial recommendations to mitigate delays and cost overruns. Our structured methodology ensures timely delivery without compromising quality or compliance.

CONCLUSION: SHARANAM CIVIL CONSULTANCY'S PATH FORWARD

Trusted Civil Engineering Partner

Sharanam Civil Consultancy is recognized for its reliability and strong industry partnerships.

Experience and Innovation

The consultancy blends extensive experience with innovative approaches to deliver superior solutions.

Strategic Growth and Leadership

Focused strategic plans ensure the company's leadership and continued excellence in the engineering sector.
